FAMILY FUN DAY

A relaxing day full of fun and enjoyment. An ideal way to thank your staff and their families for their commitment and to offer personal recognition for their hard work

ACF Company Fun Days entertain staff, families and friends with a huge variety of activities from amazing arena attractions.. Each day is designed according to your specifications and the demographics of the attendees.

FUN FAIR STALLS

Have all the fun of the fair with your Fairground themed event, perfect for a Corporate Away Day. We can provide you with a range of fairground stalls. Guests will receive tokens that they have to hand over to play the game. Each person will get 1 go on each funfair stall activity. They will get this signed off by the operator for a go which ensures we have enough allocation of prizes per game (Approx. 1 in 4 people will win a prize). 200 Prizes are included on each stall. If you require more then please ask and we can add this on.

Your package price includes a choice of four of the following stalls:

Tin Can Alley - This is a skilled game that will involve guests throwing 3 beanbags at one stack of tins. Knock them all down to win. Very addictive when one tin remains standing.

Hoopla - Take turns to throw 3 hoops at the bottles. Stand at the allocated distance and the hoop must go over the bottle but also the block below to win.

Darts - Always a classic at any event. With a variety of different ways you can play this game of hand eye co-ordination it will always be popular.

Pick a Peg - A game of luck that is a little less strenuous than the others. Pull any 3 pegs from the board. If you select a coloured peg from over 50 available to choose from you win.

Hook a Duck - Hook a Duck is more difficult than it looks when using our almost two meter long fishing rods. Each duck is numbered but only some numbers will be winners.

Splat a Rat - Timing is a key factor in this game. You have 3 attempts when the rat is dropped down the tube, to hit the rat between the two indicated lines at the bottom to win.

Coconut Shy - Each person will get three attempts to throw a wooden ball at the Coconut on the stands to try and knock it off. No prize for a hit you need to knock it off.

Giant Buzzer - The aim of the game is to pass the looped wand very carefully around the hand from one side to the other without touching it. Wildly Addictive.

Lucky Dip - Different from the others, we will allocate enough prizes for all the children attending the event, they will dip into our lucky bucket to pick a prize that they will keep.

IT'S A KNOCKOUT

This hilarious team building game was first played back in the seventies as a TV show. Its continued appeal in the 21st century is most definitely down to the fantastic atmosphere generated by the teams as they try and outdo their opponents on the wacky Knockout Course.

The session begins with a briefing on the day's activities and guests are divided into teams for a short warm up/energiser session lead by our entertaining and hilarious Compere, it's then off to the games arena!

For ultimate Wacky Fun, we recommend that some the games are run with water, however we can offer these as dry games if preferred. 6 to 8 of the following games will be provided on the day...
