SEGWAY EXPERIENCE

Get off the beaten track for an hour of fun with our Off Road Segway Experience. Explore this great location on the latest in green technology – a self-balancing electric Segway. From two legs to two wheels – book now for the ultimate Mendip adventure on a rugged all-terrain Segway in our beautiful location.

Segways are a fantastic piece of modern technology making 100 calculations per second to ensure the rider stays upright. The Segway experience is a group session and on-site there may be other activities taking place on the same day.

What’s included?
- An hour of off-road Segway fun
- Safety equipment and demonstration from our experienced instructors
- A practice session before you head off onto the course
- A totally unforgettable unique experience
SPECTATORS: Are welcome however the activity site has limited facilities.

DRESS CODE: Our recommendation for clothing is something loose fitting and comfortable. Ladies should wear trousers. Although it is unlikely you will get very muddy, we recommend you wear something that you don’t mind getting grubby. Footwear should be sturdy and flat. Boots, sensible shoes or trainers are ideal. In the colder months ACF recommend additional clothing such as hats, scarves and gloves.

MINIMUM AGE/WEIGHT: You’ll need to be over 12 yrs old and a minimum weight of 7st 2lbs (and under 18 stone to make sure the Segway gyroscopes keep their balance). We’re aware that not all 12 year olds are over 7 stone, but they’ll need to be to enjoy our Segway adventure. There is no upper age limit, although you must be in good health to participate. Please be sure to consult your GP if you are unsure.

READY TO BOOK A DATE? visit our online booking system - http://www.acfvouchers.co.uk/home. Please note this activity is only run between the months of March until October. Vouchers are valid for 10 months.
